運動禁藥管制主任2021年度培訓

Doping Control Officers Annual Training 2021

香港運動禁藥委員會的運動禁藥管制主任(DCO)團隊一直致力以「專業、可靠、公正」的態度執行藥物檢測工作。本會於2021年12月11日舉行了DCO年度培訓，培訓內容涵蓋了執行藥檢工作的重要資訊和最新要求，以及東京2020奧運會的運動禁藥管制經驗分享等。除此以外，本會更透過網上測驗，測試及提升DCO對藥檢程序的認識和實際處理藥檢工作的能力。

站在本會最前線的DCO團隊會繼續以精益求精的專業態度，為香港締造無運動禁藥的公平競賽環境。

Doping Control Officers (DCOs) Team, under the overseeing of Hong Kong Anti-Doping Committee (HKADC), is committed to provide doping control services in a "Professional, Reliable and Impartial" manner. On 11 December 2021, HKADC organised a mandatory annual training, which zeroed in on important information; updated requirements on doping control service; and shared experience of doping control at the Tokyo 2020 Olympic Games, to DCOs. In addition, their proficiency on the sample collection procedures and technical know-how were also assessed and enriched through an online quiz session.

Our frontline DCO team will continue to provide doping control service in a professional manner, in order to preserve a doping-free environment for fair play in sports in Hong Kong.
