Dear Physician / Doctor,

Prescribe with caution as I am subject to doping test

I am an elite athlete subject to doping test, and if possible, I must <u>NOT</u> be prescribed with the substances/methods in the Prohibited List as specified by the World Anti-Doping Code. If a prohibited substance/method is required to treat my condition and there are no other alternatives, I must need your assistance on completing a Therapeutic Use Exemption (TUE) application. Note that except for emergency reasons, I must have a granted TUE <u>before</u> I could start using the prohibited substances/methods.

You are kindly requested to refer to the Prohibited List for the current year that I showed you or to download a copy at www.antidoping.hk. If in doubt, you can also check the prohibition status of any medicine registered in Hong Kong at www.druginsport.hk.

Should you have further enquiry, please contact the Hong Kong Anti-Doping Committee Office at 2890 3644 or antidoping@hkolympic.org.

Regards,

須接受藥檢運動員 - 請注意用藥處方

因本人是精英運動員並須接受藥物檢測,故在可能情況下請<u>不要</u>使用世界禁藥法規所指定之禁用清單內列出的物質/方法作為處方。倘若在別無選擇的情況下必須使用禁用藥物/方法進行治療,則請協助填寫「治療用藥豁免(TUE)申請書」。請注意除非病情危急,本人必須先獲批准方能開始採用有關禁用藥物/方法作治療用途。

請參閱本人向你出示之本年度禁用清單,亦可到 www.antidoping.hk 下載複本。如有疑問,你亦可到 www.druginsport.hk 查看任何有在香港註冊藥物的禁用狀況。

若有其他查詢,請致電 28903644 或電郵 antidoping@hkolympic.org 聯絡香港運動禁藥委員會辦事處。
